✠ THANK YOU FOR VISITING ✠

SANCTUARY SPIRITS

Sanctuary Spirits is the first and only licensed distillery in Grand Ledge and has been in operation since 2013. We began with three products in a small tasting room, which now serves as our back entrance. We are also a craft brewery and winery - a rare trifecta of fermented beverage production!

Our Goal has always been to create delicious products and serve them up in an easygoing, relaxing atmosphere. We continually add new products and expand and improve the tasting room, always looking for new ways to make Sanctuary *the* place to be.

Let's Hope that there will be time in your day to stop by and wind down from the stresses of daily life.

Drinks made with our spirits will surely set you apart from the norm.

If you need anything, our bartenders are here to help, just ask.

There is never enough time to get everything done, so stop in to slow down, unwind with your friends and neighbors, and enjoy a craft beverage. It's called Sanctuary for a reason!
